

Women Entrepreneurs Institute has teamed up with the North Coast Small Business Development Center and Wells Fargo to host the first ever Women Entrepreneurs Educational Summit in Humboldt County. We're calling it Leap...Taking Your Business to the Next Level and we have some great workshops lined up for this all day event. Plus, were very excited to have Rhonda Abrams, well known business columnist be our keynote speaker.

So it doesn't matter what level you are at in your business, we have many excellent workshops to cater to your needs, whether it be marketing, business organization, or financing, just to name a few.

The Women Entrepreneurs Educational Summit will be held on Saturday, March 15th at the Wharfinger Building in Eureka.

You can pre-register for a discounted price of \$35 or pay \$50 at the door. Price includes lunch. Space is limited so if you're interested in improving your business skills, please visit www.women-entrepreneurs.org for details.
